IMPORTANT: Your SINGER® sewing machine has been designed to obtain best results with SINGER® needles. You should follow the recommendations in this instruction book and on the needle package for correct style and size of needle for different types and weights of fabric.

Changing the Needle

Removing Presser Foot

Winding the Bobbin

1. Raise presser foot and turn hand wheel toward you until needle is at its highest point.
2. Loosen hand wheel knob by turning it toward you with right hand while holding hand wheel with left hand.
3. Open slide plate and lift out bobbin.
