The player whose attack value is greater than their opponent's gets to attack with their Spirit. Riku...I think you know what needs to be done. VG247, December 11, 2011. Archived from the original on 2008-08-04. / Xion: So you mean...I'm like a part of him? Riku: DiZ...he could feel Sora. "TGS 2008: Kingdom Hearts 358/2 Days - Trailer, Co-op, and Single-Player Impressions". Retrieved April 7, 2012. Unlike many other reviewers, they praised the story as "strongly captivating"[51][52] The Australian video game talk show Good Game's two reviewers gave the game a 7/10 and 7.5/10, grateful that the game didn't force the use of the stylus, especially when it came to battle.[59] The RPGFan reviewer gave the game an 81 out of 100, praising the visual and aural quality, however they expressed disappointment at the recycling of most of the music from Kingdom Hearts and Kingdom Hearts II.[60] Kevin VanOrd of GameSpot was complimentary of the single-player mode, commenting specifically that the artificial intelligence-controlled Organization XIII members were helpful and competent. ^ Gilyadov, Alex (June 12, 2017). Flowmotion allows players to move quickly about by performing actions such as
