Whatsapp Messenger, his name, brand and other aspects of the app are registered trademarks and the property of their respective owners. Our app can be used free of charge with ads Limited features, however, you can purchase a PREMIUM subscription for additional advanced features and remove Ads.SUBSCRIPTION AND TERMS:When you download our App you can opt for a free trial of 3 days per week. You can use the site to download apps for tablets, computers, phones, Xbox consoles, virtual reality sets and more, so it's important to check the system requirements on every app page to make sure the app is compatible with your device. You will need to log in or create an account to complete the purchase. Read the article to find out how and where to download apps. Chances are that if your phone is an iPhone, it's probably an Android device brands include Samsung, Huawei, LG, Motorola, ZTE and many more. For more information, see our privacy policy. Choose the app you want and follow the on-screen directions to download it to your device. With so many apps to choose from, however, it can be a bit daunting if you don't know how to download them. You're wasting your money. There is something wrong with the service and no one to turn to or complain to. Really sad? And much more great features for you to explore.Support the app by leaving us a review on the Apple Store.Note: This application is not endorsed by or affiliated with WhatsApp Inc. Either way, once the file is downloaded, you're ready to start. Photo courtesy of Kim Kulish/Getty Images Select the free or paid app you're interested in to see a short description of the app. As with Google Play, often A pre-installed on A. Photo courtesy: SOPA Images/Getty Images Open the Google Play store on your device and then search for the specific name of the app or any broader category you might be interested in.
